Important Notes:

- Please note that we are not able to process third party payments. The name of your trading account with NatureForex and the name of your bank account used to transfer money must be the same.
- The ID of your trading account must be clearly stated in your wire transfer form when you transfer money from your bank to NatureForex
- The status of bank wire deposit only becomes successful when the deposit amount is completely transferred to NatureForex bank account.
- The Company shall not be liable for delays in processing deposits if such delays are caused by the payment system.
- The company retains the right to change the processing time for deposits and withdrawals without notifying clients in advance.
- The company may place limits on the payment systems available to clients from certain countries.
- For withdrawal via Bank Wire, it will take you from 3 to 5 business days to receive the fund in your account.
