

Deposit via Credit Card

Step 1: Login your account from NatureForex website

Step 2: Choose Deposit/Withdraw button

Step 3: Select the account destination and enter the deposit amount.

Then choose deposit method as Credit/ Debit Card.

The screenshot shows the 'Money transaction' section of the NatureForex interface. At the top, there are four tabs: 'Account Setting', 'Money transaction', 'IB Management', and 'Demo Contest'. The 'Money transaction' tab is active. Below the tabs, there is a 'Deposit' section. A callout box points to the 'Deposit' button, stating: '1. The default screen is depositing to General Account. However, customers can change to deposit to FX/CFD, BO, Copy trade'. Below this, there are four account type buttons: 'General Account', 'FX/CFD', 'BO', and 'Copy Trade'. Each button shows its 'Available amount': General Account (623), FX/CFD (1,663), BO (0.80), and Copy Trade (1,537). Below these buttons is a 'Withdrawal' button and a row of buttons for 'General Account', 'FX/CFD', 'BO', and 'Copy Trade'. The 'General Account' button is highlighted in green. Below this row, there is a form for entering the deposit amount. The 'Amount' field contains '2000' and the currency is 'JPY'. A callout box points to the amount field, stating: '2. Enter the amount'. Below the amount field, it says 'Deposit limitation : 2,000 - 100,000,000 JPY'. Below the amount field, there is a 'Deposit Method:' dropdown menu. The dropdown menu is open, showing options: 'Please select', 'Bank Wire', 'Neteller', and 'Credit/Debit Card'. A callout box points to the 'Credit/Debit Card' option, stating: '3. Select the method'. At the bottom left of the form, there is a green 'Execute' button.

Step 4: Choose payment gateway:

You need to choose a payment gateway as Pay Online or NetPay.

Then select the card that you have already registered. Finally, click EXECUTE and CONFIRM

The screenshot displays the deposit process on the NatureForex platform. At the top, account balances are shown: General Account (623), FX/CFD (1,663), BO (0.80), and Copy Trade (1,537). The deposit amount is set to 2000 JPY, with a deposit limitation of 2,000 - 100,000,000 JPY. The deposit method is 'Credit/Debit Card', and the card type is 'Visa'. The payment system dropdown is open, showing 'Payonline' and 'Netpay' as options. A callout box points to 'Payonline' with the instruction '1. Select method is Payonline'. Below this, the converted rate is 100.191 (04/06/2013 23:03:02) and the converted amount is 19.96 USD. A section titled 'Credit/Debit Card' shows an 'Add new Credit/Debit Card' link and a 'Choose It' button. A callout box points to 'Choose It' with the instruction '2. Select the Visa card available'. The card details are: Card Number: *****2260, Card Type: Visa, Holder Name: CSteam NFX. Below the card details, the user's location is listed: City: Hanoi, State: NA, Zipcode: 10000, Country: Viet Nam. At the bottom of this section, an 'Execute' button is highlighted with a red arrow. The final confirmation screen shows the same details and a converted amount of 19.96 USD, with 'Confirm' and 'Back' buttons. A red arrow points to the 'Confirm' button.
