

# Manual for SKRILL Payment Gateway

**Step 1:** Access NatureForex.com, **Login** to your account

**Step 2:** Choose **“Deposit/Withdraw”**

The screenshot shows a user profile for 'lannajans11' from Australia. The profile includes a 'Live Activity Feed' at the top, a 'Proud to be a part of NatureForex Social Trading!' banner, and a prominent green 'Deposit/Withdraw' button. Below this is a 'Guidelines' section with three steps: 1. Verify Account (checked), 2. Deposit (warning icon), and 3. Follow & Copy (warning icon). A blue callout box with an arrow points to the 'Deposit/Withdraw' button, containing the text 'Choose “Deposit/ Withdraw”'.

**Step 3:** Insert **deposit amount** and choose **Skrill (Moneybookers)**

The screenshot displays the 'Deposit' form. At the top, there are navigation tabs for 'Account Setting', 'Money transaction', and 'Refer a friend'. The 'Deposit' section features five account type buttons: 'Deposit', 'General Account', 'FX/CFD', 'BO', and 'Copy Trade', each showing an 'Available amount' of 0.00. Below these are corresponding buttons for 'Withdrawal', 'General Account', 'FX/CFD', 'BO', and 'Copy Trade'. The 'General Account' button is highlighted. A blue callout box points to the 'General Account' button with the text 'Insert Deposit Amount'. The form fields include 'Amount \*:' with '50' entered and 'USD' selected, and 'Deposit Method:' with a dropdown menu open. The dropdown options are 'Please select', 'Bank Wire', 'Neteller', 'Credit/Debit Card', and 'Skrill (Moneybookers)'. A blue callout box points to the 'Skrill (Moneybookers)' option with the text 'Choose Deposit Method: “Skrill (Moneybookers)”'. The 'Execute' button is visible at the bottom right. A note below the amount field states 'Deposit limitation : 20.00 - 1,000,000.00 USD'.

**Step 4:** Add your registered email address with **Skrill** → Click “Send Code”

Amount \*:  USD

**Important:**

- If you do not currently have a Skrill account, you can sign up free through the website: <http://www.skrill.com>
- Funding your account will depend on your country of residence.
- Please note that we are not able to process third party payments in order to ensure financial security and prevent money laundering. The name of your trading account and the name registered with Skrill have to be the same.
- If your Skrill's email is different from the email registered with NatureForex, you are kindly requested to verified Skrill email in our system.
- The term "Instant" as above means that a transaction is carried out within a few seconds without manual processing by financial department specialists. Funds may only be withdrawn to clients' personal accounts in order to ensure financial security and prevent money laundering.
- The Company shall not be liable for delays in processing deposits if such delays are caused by the payment system.
- The company retains the right to change the processing time for deposits and withdrawals without notifying clients in advance.
- The company may place limits on the payment systems available to clients from certain countries.
